PREMIUM ALKALINE OXYGEN WATER

“The Tiffany of Alkaline Water!”

Congratulations on your decision to replenish your body with Beyond O₂TM Premium Alkaline Oxygen Water. A Beyond O₂ Alkaline Custom System installed in your home or office allows you access to super clean Alkaline water enhanced by minerals with contaminants removed, allowing hydration 6 times faster!

The Beyond O₂ Home or Office Custom System includes an advanced Reverse Osmosis system that removes particles down to 0.0001 micron. The water is then re-mineralized with Calcium, Magnesium and Potassium. This is the most natural and wholistic way to raise pH instead of using electricity like most systems on the market. This process gives the water a 20+ year shelf life in a closed container.
